Night of Nights

RBWH staff were treated to the 'best seats in the house' at Brisbane's most popular annual celebration – Riverfire.

The Riverfire Ball went off with a bang at the Customs House. We couldn't have wished for a better view of the massive fireworks display, with the Storey Bridge on our left, and on our right a view along the City Reach of the river. From the F1-11 'dump and burn' which opened the display, to the second fly-past which ended it, we enjoyed the glorious skies of colour, the bursting rockets and the 'river' of silver fire from the bridge.

The fireworks display was a hard act to follow, but the rest of the night did not disappoint. After a formal welcome by a magnificent meal was served by Customs House staff, and then it was onto the dance floor where guests rocked along to the 60's sounds of Max 7 and Radio Saigon. And dance they did, with almost everyone on the dance floor for most of the night.

With this year's celebrations such a great success Customs House has been booked for another RBWH Riverfire Ball next year, which promises to be even bigger and better.

Thank you to

RBWH Events Manager for listening to the requests for a staff ball and making it happen. See you next year!
